

# Highlights From Santa Clarita Rose Show

## October 9, 1999 -- Valencia Town Center

Reported By Kitty Belendez

Members Cal and Barb Hayes of Santa Ana won "Double Queens." The Hybrid Tea Queen of Show (left) is Moonstone and the Miniature Queen of Show is Irresistible. Cal (right) displays his winning entry along with his Waterford trophy. Moonstone won Queen of Show at every rose show in Southern California during the month of October, three times by the Hayes, once by the Grassos.

October 9, 1999 marked the 6th Annual Rose Show of the Santa Clarita Valley Rose Society. The exquisite serpentine trophy tables were covered with burgundy and white linens that enhanced the winning entries as well as the beautiful array of crystal and silver trophies. There were 41 exhibitors who made 537 entries, encompassing 851 blooms of all types including hybrid teas, floribundas, miniatures, shrubs and old garden roses. The "Rose in a Picture Frame" made its debut and was won by Bob & Kitty Belendez with a stunning bloom of Secret.

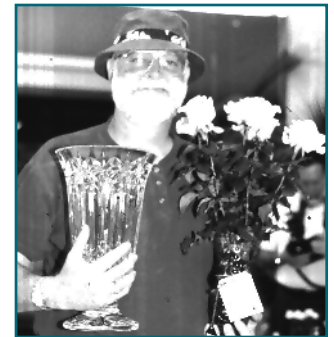

Jim and Pam Hogan of Canyon Country won their first Challenge Class trophy with an entry of Child's Play in the Miniature Cycle of Bloom Class. The following weekend, Jim and Pam did it again at the Los Angeles Rose Society show at Descanso Gardens with Apricot Twist.

Dr. Teresa Hull of Chino Hills, Calif. beams with pride as she wins her first novice trophy with the hybrid tea Crystalline. Look out "Big Boys"!

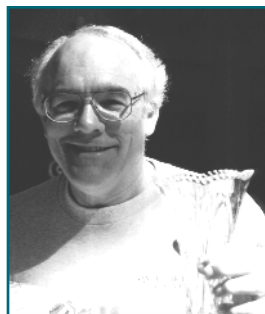

The hybrid tea tables were packed full with the highest quality roses. St. Patrick, Lynn Anderson, Natasha Monet, Signature, and Silverado were some of the most popular varieties. The "Most Fragrant" table attracted the noses of many visitors, and was won by Candy's Golden Celebration. Jim Lopez was in charge of placement and did an outstanding job.

Jeff Stage, SCVRS member from San Diego is grinning like a cheshire cat that just swallowed a canary with his winning Best Horticultural Entry of six Crystallines. (The "canary" was Kitty's bouquet of 12 St. Patricks that Jeff edged out for Best Hort.!) The huge Waterford trophy was furnished by the Valencia Town Center, thanks to Kathleen Gill.

Candy LaChance (left) of Stevenson's Ranch won two trophies at Santa Clarita, and four trophies the following weekend at the Los Angeles Rose Society show. Not too shabby for someone with a small garden and a job that requires frequent travel to foreign countries.

Jim Donovan of Canyon Country won the Old Garden Rose and Shrub Challenge Bouquet with a fine collection of roses.

Karen Gubert (right) of Canyon Country won the Novice Miniature with Hot Tamale plus Best Modern Shrub with Ambridge Rose. Heritage Rose Gardens furnished the lovely silver tray for the Shrub trophy. Karen also did a superb job of organizing members to cover security for the show.
